

# HUNTING A-Z

The PCDHFC is proud to host a unique opportunity for everyone interested in the particulars of hunting. Taught by Club Member Tom Lam, Hunting A-Z will take place in the Trap & Skeet Clubhouse on March 22, 2009.

Tom is a very experienced hunter and outdoors enthusiast. Hunting A - Z is not just about re-loading, careful equipment selection and detailed preparation... its also about the unique experience outdoor enthusiasts enjoy in our Great Outdoors. Crackling campfires, a colourful sunrise on a majestic lake and the thrill of a successful hunt. If you're thinking about hunting as a hobby, if you've hunted before and want to know a little more or even if you're an experienced hunter and would like to gain a fresh perspective - this is the course for you.
